REPORT

OF THE STATE OF THE

School for the Indigent Blind,

HARDMAN STREET,

LIVERPOOL,

FROM

DECEMBER 31, 1864, TO DECEMBER 31, 1865.

LIVERPOOL:

GILBERT G. WALMSLEY, PRINTER, 50, LORD STREET.

1866.

THIS is the oldest School for the Blind in this Kingdom, having been instituted in 1791, and incorporated by an Act of Parliament in 1829. Its object was to cause the Blind to be "Instructed in some Art or Trade, by which they should be enabled to earn something at their own homes towards their subsistence," six Pupils at a time being taught Music. No Male Pupil was to be admitted under 14 years, and no Female under 12 years of age, and none were to be admitted above 45 years. The Relatives of the Pupils, or the Parishes to which they belonged, were called upon to contribute to their support. This object, and these conditions, are still adhered to.

All the Pupils capable of learning are taught to read by means of a raised type. Out of the 67 Pupils now in the School 50 can read. The Pupils generally, who can read, have a portion of Scripture, in raised type, presented to them on leaving the School.

The Manufacturing of the following Articles is taught, viz.:—BRUSH WORK of all kinds, MATS and LOBBY CLOTHS, WINDOW BLIND CORD, BASKET WORK of every description, TWINE, WOOL WORK, and KNITTING.

The Public are respectfully invited to visit the School, and see the Pupils at work.

This Institution is not connected with any other Establishment or Society.

Hardman Street.

The School is open to the public every day (Sundays excepted)
from NINE Morning till Six Evening.

A Selection of SACRED MUSIC performed by the Pupils at Half-past
Two o'clock on TUESDAY and FRIDAY.

Visitors are requested to purchase some Article, or give a small Donation.

A large Stock of the following Articles, *manufactured by the Pupils*, on sale at reasonable prices:—DOOR MATS or FOOT BEARS, of great variety; COCOA-FIÈRE CHAIN MATS and MATTING; PATENT SASH and WINDOW BLIND CORD; TARRED, HALF-TARRED, and other LOBBY CLOTHS, of various widths; BASKET-WORK of every description; WOOL-WORK, TWINE, SILK, &c., &c., also BRUSHES of all kinds.

Goods manufactured to order; and, when requested, a person sent to take measures.

All goods are made from the very best materials.

Subscriptions and Donations are received by

THOMAS MILLS, Esq., TREASURER, 9, Rumford Street; and
Mr. HENRY ADDENBROOK, the SUPERINTENDENT of the Scuool.

Presents of Piano-fortes are particularly acceptable, on account of the increased number of Musical Pupils now in the Institution.

The proper Form by which any Legacy may be left to the Institution is as follows:—

I give and bequeath the sum of to "THE SCHOOL
FOR THE INDIGENT BLIND IN LIVERPOOL, INCORPORATED BY ACT
OF PARLIAMENT," to be paid exclusively out of such part of my
personal Estate as I can lawfully charge with the payment of
Legacies to charitable uses; and I desire that the same be paid to
the Treasurer, for the time being, of the said Institution, whose
receipt shall be a good discharge for the same.

N.B.—Legacies of Real Estates, or payable out of Real Estates, for Charitable Purposes, are void by the Statute of Mortmain.

ADMISSION OF PUPILS.

THE MANNER FOR APPLYING FOR ADMISSION, AND THE ENGAGEMENTS TO BE ENTERED INTO BY THE FRIENDS OF THE PUPILS.

ANY Person desirous of applying for the admission of a Pupil, may have printed papers of Questions and Engagements at the School, in the following form, to which answers in writing are required, attested as therein specified; and the paper, when properly filled up, must be sent (post-paid) to the Superintendent at the School, in order to its being laid before the Committee. It is required that the parish or friends of the Pupils shall contribute a weekly allowance of Three Shillings towards his or her maintenance; and if the parish or friends be at a distance from Liverpool, then some respectable housekeeper in Liverpool must become responsible for the regular payment of the sum stipulated.

From the numerous applications lately received for the admission of Infants, it is deemed necessary to state, that Females of less than Twelve Years, and Males of Fourteen Years of Age cannot be admitted into the School, except under very peculiar circumstances.

QUERIES.

By what *Subscriber* is the blind person recommended?

(To be answered by a Medical Gentleman.)

What is the nature and supposed cause of the applicant's blindness?

* Is it *partial* or *total*?

Can the applicant distinguish light from darkness?

Can the applicant distinguish the forms and colours of objects, with sufficient clearness to render it probable that he may be taught any useful occupation by means of sight?

QUERIES.

To be answered by a Minister, or by the Churchwarden, or Overseer of the Parish, or by the friends or persons recommending the Candidate.

Who is the person in Liverpool appointed to pay the Parish or Weekly Allowance, and for necessaries which the Pupil may be supplied with?

Will the Friends or Officers of the Union or Parish to which the Pupil may belong, consent that he may remain in the School, at their expense, a sufficient time to learn a trade, and that the time for such purpose shall be left to the discretion of the Committee of this Institution?

Who engages to receive the Pupil when he has learned one or more Trades in the School, and to assist him in exercising his Trade in the Parish to which he belongs?

N.B.—For these purposes, the persons appointed must give an engagement in writing before the Candidate can be received in the School.

The Trades Taught in the School are the following:—BASKET MAKING, WEAVING, ROPE MAKING, MAT MAKING, PLAITING SASH AND BLIND CORD, KNITTING, SEWING, SILK, AND BRUSH MAKING.

Every Pupil must be taught some trade. Is there any particular trade which it is advisable to teach him?

Music is taught in the School to such of the Pupils as the Music Masters, after trial, recommend: but the Committee have found it inexpedient to place Pupils on the Music List after they have attained the age of sixteen years. The Pupils are also taught to read by means of an embossed type.
